Utica Comets Cup

Advancement Procedures

Each division is seeded separately with no crossover. Every team is guaranteed at least four games.

Standings and Seeding

Win: 2 points **Tie:** 1 point **Loss:** 0 points

Points percentage = points earned ÷ points available. Use it when teams play different numbers of prelims. With equal games, it ranks teams the same as total points.

Tiebreakers, in Order

1. Total points 2. Head-to-head (two-team ties only)
3. Goal quotient: goals for ÷ (goals for + goals against)
4. Fewest goals allowed 5. Most goals for
6. Fewest penalty minutes 7. Coin toss

For a tie involving three or more teams, restart the steps for the remaining teams once one team is separated.
